Reference hearing ordered

THE COURT:

Based on the record in this matter and good cause appearing:

The Honorable David S. Wesley, Presiding Judge of the Superior Court of California, County of Los Angeles, is directed to select a Judge of that court to sit as a referee in this proceeding and promptly notify this court of the referee selected. After appointment by this court, the referee is to take evidence and make findings of fact on the following questions regarding the case of *People v. Tracey Lavell Carter* (Los Angeles County Superior Court Case No. A0950222, Judge Jean E. Matusinka):

1. What actions did trial counsel take to investigate potential evidence in mitigation during the penalty phase concerning petitioner's alleged brain damage and life and family history? What were the results of that investigation? Was the investigation conducted in a manner to be expected of reasonably competent attorneys acting as diligent advocates? If not, in what respects was it inadequate?
2. If the investigation was inadequate, what additional information would an adequate investigation have disclosed? How credible was this evidence? Would a reasonably competent attorney have introduced such evidence at the penalty phase of the trial? What rebuttal evidence reasonably would have been available to the prosecution?
3. What actions did trial counsel take in retaining mental health experts, preparing them to testify, and presenting their testimony? Did counsel act in a manner to be expected of reasonably competent attorneys acting as diligent advocates? If not, in what respects were trial counsel's actions inadequate? Had counsel performed adequately, how would the defense penalty phase presentation have differed? What rebuttal evidence reasonably would have been available to the prosecution?

It is further ordered that the referee prepare and submit to this court a report of the proceedings conducted pursuant to this appointment, of the evidence adduced, and the findings of fact made. All requests for discovery in this matter must be addressed to the referee.

Referee appointed

THE COURT:

Based on the record in this matter and good cause appearing:

The Honorable William C. Ryan, Judge of the Superior Court of California for Los Angeles County, is appointed to serve as a referee in this proceeding. He will take evidence and make findings of fact on the following questions regarding the case of *People v. Abelino Manriquez* (Superior Court of California for Los Angeles County No. VA004848, Judge Robert W. Armstrong):

- 1) What were Juror C.B.'s reasons for failing to disclose her childhood abuse on her juror questionnaire and during voir dire at petitioner's trial?

- 2) Was the nondisclosure intentional and deliberate?
- 3) Considering Juror C.B.'s reasons for failing to disclose these facts, was her nondisclosure indicative of juror bias?
- 4) Was Juror C.B. actually biased against petitioner?

It is further ordered that the referee prepare and submit to this court a report of the proceedings conducted pursuant to this appointment, of the evidence adduced, and of the findings of fact made.

All requests for discovery in this matter must be addressed to the referee.
